## A COUNTY WIDE ELECTION OF COMMISSIONERS MIGHT HELP THE GLADES

### Legislative Doins In Tallahassee By County Delegation

Organized Confusion May Produce Something Constructive Yet

By Ralph J. Blank  
Palm Beach County Resources Development Board  
Time is rapidly running out for the 1949 session of the Legislature. With more than six weeks of the sixty-day session already expired, very little major legislation has been passed. No one can accuse our solons, however, of not being industrious. A prodigious amount of research and committee work already accomplished may show very successful results in the closing days of the session. Floor leaders in both Houses are frantically trying to speed up the lagging calendar.

The much debated citrus bill, fencing the cattle off the highways and similar measures have been bitterly fought in both Houses with no decision at the present writing. Decision appears near, however, on the big citrus issue as the House appears to be in the final round. Action upon the House measures, five in number, designed to implement the Federal Government's 200 million project seems near.

### School Athletics Give Coach Cook A Hamilton Watch

Bright and early Sunday morning coaches Cooke and Levitt, accompanied by a group of the "B" club boys composed of the members of the basketball and football teams, hied themselves off to Ft. Lauderdale for a day at the beach and casino. The morning was spent at the beach where the packed lunches were massed and devoured, and the afternoon spent in swimming at the fine pool. Returning home they came by way of West Palm Beach, where the coaches witnessed the Indian and Havana game.

At the close of the noon lunch, Billy Jo Leathers, president of the B club, arose and began speaking to "Bruiser" and in conclusion to show something concrete to measure their respect and appreciation of the Coach had done for them presented him with a beautiful pocket watch and chain. The instrument is a 21 jewel, open face, Hamilton brand of beautiful design. The rear is engraved in raised letters, "To Bruiser from Cooke and Levitt." The Coach has a growth in his throat, but managed to make an appropriate acceptance of the timely gift. He stated that he would use it to see that the Golden Rams did not get any over time against his new Trojans.

### Independents Flopped In Game With The Pompano Aggregation

The type of baseball which the independents put up in the ninth inning in the Pompano game of Sunday afternoon, was a travesty upon the national pastime and a naturally Boyton won by a lop sided score of 15 to 8. Up to the final inning the game had been a good one, but in that stanza Cherry "took the air" and walked several men. His team makes good the error fever and aided to the demoralization, when Pompano put seven runs across the plate. The independents play the fast Jupiter team at Jupiter next Sunday.

The league leading Saltfishers of Stuart ran up against a snag in the Lake Worth team, at Lake Worth, and lost their first game by a score of 4 to 3, in a pitching duel. Olechobos defeated Jupiter 12 to 4; and Clewiston won over Boynton 10 to 1. Belle Glade stands in 6th place in loop figures.

### Civil Service Has Many Openings for Willing Veterans

United States Civil Service examinations for probational appointments have been announced by the Board of U. S. Civil Service Examiners, U. S. Army, Corps of Engineers, Jacksonville, Florida, for the positions of Guard, CPC-4, \$2020.00 per annum; Janitor, CPC-4, \$1922.00 per annum; Machinist-Blacksmith, Grade 18, \$148 per hour; Mechanic, Engineering, Grade 15, \$148 per hour; Crane Operator, Grade 16, \$138 per hour; Welder, Grade 15, \$135 per hour; Autistic, Mechanic, Grade 15.

### Lee Hayman Leaves Pioneer Growers; Locate In Salisbury

It is with much regret that the citizens of Belle Glade, and over the Glades, receive the news that Lee Hayman is withdrawing his activities in this section to take over the operations of his own business interest in Salisbury, Md. Lee has been a familiar figure around packing house for almost 15 years, first being associated with the N. N. Staring interests and after as a member of the Pioneer Co-Op packing house. Lee has always been rated as a top man in his capacities. He was genial and friendly to men, and has legion of friends, many of whom are now in their local business, social and fraternal circles. Lee is a charter member of the Belle Glade Lodge of Elks and a past president of the Everglades Branch of the National League of Fresh Fruit and Vegetable Distributors. He is well known in produce circles and has a legion of friends and clients in this vicinity.

Belle Glade High School graduating class of 1949. Front row, left to right—Junior Walker, Kenneth Bass, Willis Warren, James Layfield, Second row—Dorothy Buckles, Maxine Schaefer, Lorelle Thomas, Betty Lou Powell, Mary Lou Pitts, Warren, Martin, Buddy Friedheim, Harry Doggett, Jerry Conn, Third row—Bill Asprey, Billy Joe Leathers, Virginia Keller, Betty Jean Pitts, Betty Kester, Gloria Davis, Shirley Connell, Kenneth Harris, Lewis Kelsoe, Fourth row—Ruth Warren, Helen Prevatt, Carolyn Cato, Maxine Parker, Barbara Hayman, Joanne Livingston, Eleanor Miller, Shirley Campbell, Minnie Ellen Hobbs, Alice Chaney, Henry Fears. Fifth row—Judson Lloyd, Billy Acres, Fritz Stein, Rosalyn Farmer, Billy Ray Evans, Elmira Scott, and Dorothy Brackin.

### Barbara Hayman As Valedictorian Ellen Hobbs As Salutatorian In Belle Glade High Commencement

With the largest class in its history, 17 boys and 23 girls, to be graduated during impressive commencement exercises on June 3rd, the Belle Glade High School will begin its graduation activities with a baccalaureate service on Sunday 29, according to Principal F. O. Hobson.

Baccalaureate Service will be held at the Auditorium at 8 p.m. with the Rev. B. A. Oswald of the South Bay Baptist Church delivering the sermon. The Rev. Leonard F. Vandewater will offer the invocation, and the Rev. I. E. Enlow the benediction. Marianne Womack, freshman pianist, will play the Processional and the Recessional, and the Glee Club will sing two selections.

On Tuesday, May 31, at 8 p.m. in the Auditorium, the Seers will present their Class Night program. The curtain will rise on a unique wedding scene with all characters represented by members of the class of '49. The spirit of the fabulous '49ers of the eighteenth century will be evoked by the times to the word work Lady Luck and bad luck, will be evoked. The rest will rise more to look in the fact as the "Wedding of Miss Class of '49 to Mr. World Service" combines the "old time" spirit with the "future" which must be accepted by the graduates of this class.

### Deposits of Bank Of Pahokee Are Increased 65% Since January 1st.

The oldest bank in the County, a home-grown and home-owned institution catering to the banking needs of this agricultural community, the Bank of Pahokee will have moved into its new home on Monday, May 30th; ready to continue business in more spacious and comfortable quarters equipped with up-to-the-minute vaults, furniture and fixtures.

The "Yes and No" Man, Mr. Henry McIntosh, and his Officers and Directors, are receiving the congratulations of their many patrons in the Glades on having built this new home, on the site of the old building, with added ground.

Very favorable spring crops, increased business in the unusual growth in assets and deposits of this institution since the last official statement on January 1st of this year. At that time the bank had on deposit \$3,670,675, with loans amounting to \$1,752,487. The current statement shows an increase of deposits of \$2,130,370, making a total of \$5,801,045. There is also shown a reduction in loans to \$1,306,808 or \$1,753,427.

### Consistory Ends Spring Reunion With Great Eclat

The spring reunion of Lake Worth Consistory of the Scottish Rite came to a close on Sunday night, after a most successful session. The degrees of Masters and Scribes were conferred, and the degrees of the so-called "heavy" degrees of the grades, and each and every one were exemplified in impressive manner before capacity house audiences.

The class will be known as the Harry A. Fausett Memorial Class, an army veteran, in honor of the father of one of the members of the class. Attorney Pascal Reese, past state commander of the American Legion, was the class orator, and he gave a fine address along Masonic lines.

The Consistory is growing and now has in excess of 300 members, and is reported in excellent financial condition. The P. M. Myers delegation in the class, numbering 11 candidates, were given special recognition. That city now has around 75 members of the Consistory.

Those attending from the Glades area were: B. F. Fears, William Allen, G. I. Evans, Wm. Evans, Charles Maynard, Joe Cherry, Mike Murphy, Sr., C. D. McClure, Wm. Brown, Ralph Kirk, Jack Royals, John M. Gledhill, Walter Schleuter, W. P. Risk, Roy Lane, C. W. McDonald, L. E. Will, Ernest Fiedler, Theodore Michael, J. K. Baker, Ivan VanHorn, Hans Stein, Oliver Shepherd, and members of the class, Fred Lines, Hayden Williams, C. E. Critchfield, Sam Knight and Dr. S. J. Simmons.

### J. G. Weeks Heads County Masonic Club As Chairman

The Master and Warden's Association of the 22nd Masonic district was formed two years ago, and has now developed into a large and influential body in which the nine lodges of the district have membership representation. The object of the Association is to give Masons opportunity to present views and act upon matters that may pertain to the improvement of the lodges, the district and the state jurisdiction, with recommendations for such changes being made by the authoritative bodies.

The voting power of the Association lies in the Master and Wardens, but all Blue Lodge members may be associate members.

### Elks Will Stage A Family Nite Party On This Saturday

The Elks will give another of their popular "Family Night" parties at the club grounds, on next Saturday night, from 7 on. As the females of the species expressed favor for the barbecue type of meal the Entertainment committee will concur in their wish. Early evening entertainment will be provided for the children. Dancing and cards for adults will follow the supper. The invitation list has been curtailed to members, their family and house guests, all others are off the free feed list.

Phokos Lodge of Elks on the evening of June 4th, will have an early evening barbecue, followed later by a social evening of dancing and cards. Belle Glade Elks are invited to attend the function.

### New Equipment Is Displayed By The Belle Glade Motors

The Belle Glade Motors company, Charles Bolton, manager, and representatives of the Ford Motor Co. and the Dearborn Equipment company, on last Thursday night, were hosts to around 200 farmer folk, at their annual farm display show. This is a party that the patrons and when persons come to the show and look forward to with anticipation as a very pleasurable affair.

Manager Bolton, for this occasion, had eight Ford's on tractor on the floor, to each of which was attached a particular type of place of farm equipment the product of the Dearborn company, which now has in excess of 75 such farm pieces, 50 of which have been developed during the past year, some in use in this section.

### Four Coast Commissioners Districts Get 95% Of The \$3,690,000.00 Bond Sale

#### Captain Henry Fears and Lieutenant Billy Asprey Return From Capitol

The PFA and the City Commission have furnished an added incentive to members of the local School Safety Patrol for hard work and efficiency by

Captain Henry Fears

giving a free trip to Washington, D. C., with the trimmings. Captain Henry Fears and Lieutenant Billy Asprey were chosen this year as winners of the trip on length of service and efficiency. They have just returned from the trip, where they had their eyes opened by

Glades Gets \$155,000 To Re-build Road Of Limited Use

Four of Palm Beach County's Commissioners are selected and awarded by constituents who live on the east coast. Both the constituents and the Commissioners love the Glades as an up-and-coming property of environment nurtured by the Coast.

We appreciate this affection but believe our coming age has come on something like a youngster in high school—the career is brought up abruptly to the thought that little Johnnie needs long pants and is ready to think about the girls; or that Ellen is ready for her first evening frock for a formal party.

The Glades has come of age and it deserves the thoughtful consideration of ALL County Commissioners.

We believe, as do a lot of folks in the Glades and through out the County, that a gentle reminder to the DUTY OF ALL COUNTY COMMISSIONERS to consider all parts of the County, instead of their own particular bailiwick, is to HAVE ALL COMMISSIONERS ELECTED COUNTY WIDE. Then each community with a bunch of voters would keep that obligation constantly before ALL County Commissioners.

A FEW OF OUR COMPLAINTS:

(1) There has been discussed seriously by many citizens and some of them were candidates for office—an arrangement to build a road in the County, which would not have to drive 90 miles to transact any business with the County.

A bill was offered to relieve this by Glades citizens, but the County Commission said emphatically "no." The County delegation in Tallahassee is kind of political weight of men—five men—maybe you and I would be too.

(2) The Commission is kinda careless with money directly due and owing to the Glades cities.

There's a law which provides that a certain period of taxes collected in a special bridge road district will be returned to a city within that district. In the County of Glades, which is under this law it is claimed. The record shows that check No. 18 of \$48 there became due to Belle Glade \$468.83 under this law it is claimed. The record shows that check No. 1772, dated August 19, 1948 was issued to cover this. City Clerk who is in charge of the City's funds, knows nothing of this money being received. (Continued on Page 8)

### Judge Johnson Is Tough Against Court Witnesses

Judge Jack Johnson let it be known in no uncertain manner, that when persons come to the court and testify, they are to be honest and make charges, that unless they appear in court to substantiate their charges, and there would be bench warrants issued against them on charges of contempt of court. Two cases were dismissed by the court because the young women who made charges of assault and petty larceny failed to appear in court.

The City police were notified on Monday morning, that some of contempt during the Sunday night, when persons came to the court and testify, they are to be honest and make charges, that unless they appear in court to substantiate their charges, and there would be bench warrants issued against them on charges of contempt of court. Two cases were dismissed by the court because the young women who made charges of assault and petty larceny failed to appear in court.

Several and J. C. Williams, colored, got into a family quarrel on Monday morning and the former slashed her husband across the arm with a butcher knife, wounding him sufficient.

### OBSERVATION and Comment By John M. Gledhill

The Loyal Order of Moose, formally instituted in Belle Glade on a recent Sunday, shows a charter membership list of 108 members. The lodge is a record for the state, in that out of the 108 members initiated in the first charter session, 82 of them had paid their full initiation fee. The lodge also chose some very capable men to fill the officer's chairs. A club home is the next big project of the organization.

Dropped in at the High School building, and wandered into the gym and there I found groups of children of the Episcopal church and the Catholic church dancing lessons. Those who could dance were generously taught the steps to the music of the dance. The children who were unacquainted with them, Kids learn dancing early these days, and the ones who do not know how to dance are pretty much wall flowers at school activity parties. Dancing is a part of the recreational training program.

**PAR-TEE LINE**  
Belle County City of the Everglades

Today's the Day—Sunday day! In the County League, the best ladies of Belle Glade with Louise McWhorter and Edith Landingham getting one point to two their opponents while Zella Betzer and Rappie Weeks evened it up by taking two points to their opponents. Ida Grace and Ruth Mills lost three Grace Asprey and Ruby Jones divided the remaining three points equally with their opponents. The contest was a close one and time had run by all in the overall contest. D. D. is reminding the ladies that the qualifying scores are being reached up until Sunday, Saturday, June 4th. This is (Continued on Page 4)

### Decrease Shown in Produce Shipments As Season Closes

The daily shipments out of the Glades is becoming smaller and smaller with each succeeding day, which means that another busy season is drawing to a close. The produce of the year, celery, corn and egg plant are the commodities still going out. The report on car movement last week, showed the estimated 8000 car as having been shipped, and present figures are premium. Corn took another jump in price over the week, after a short decline.

The Vegetable Branch League members and ladies had a fine time at the closing session of the year, at the Country club of the Glades, on last Friday night. The club management served a delicious dinner for the members and their guests. Later hour entertainment was with dancing and cards. Le Harve's dance prevailed. (Continued on Page 4)

## WANT ADS

The Belle Glade Benevolent Association will hold an annual meeting of its membership Friday night at the Association Hall on North Main Street for the purpose of electing a Board of Governors.

## SOUTH FLORIDA BUDGET MEETING POSTPONED

The called meeting of the South Florida Conservancy District land owners to consider the budget for the coming year has been postponed until June 3rd at 10 o'clock in the morning.

**Will Spend Summer in Hendersonville, N. C.**

Larry Nash, of the Nash Chemical company, has closed up his local business, and this week, left for Hendersonville, N. C., where he will operate his business there until the middle of September.

**Deputy Sheriff Gross Finds Man In Tarpaper Shape From Head Wounds**

Deputy Sheriff Gibbs Gross, in performance of his duties, received a call to the government camp at Sand Cut, and there found John Holt, a negro, in a shape from a badly battered head, as a result of a beating inflicted by a beer bottle. The assault had been committed May 8th, and it was not until a week later that Holt was found in his cottage. Gibbs had the negro removed to the Everglades hospital at Pahokee, where he died on last Friday morning.

Holt stated that on May 6th, that he had loaned Reese Brown, a white man, who he promised to pay back. When he did come to the house he had no money and asked Holt for more money. Gibbs was refused and Holt turned over and again went to sleep, and was never aware of the attack as he been rendered unconscious from the blows.

Deputy Sheriff Frank O'Connell got track of Brown, who was a crop picker, and caused his arrest in North Carolina, where he was held for Palm Beach county law officials.

**CIVIL SERVICE HAS** (Continued from page 1)

made from registers established as a result of this examination to positions in the Clevelston, Florida, suboffice of the Jacksonville District and its locks and fields stations only. Applicants will not be required to repeat the examination but will be rated on the extent and quality of their experience and education. Detailed information qualification requirements may be obtained from the examination announcement available at any first or second class Post Office. Applications will be accepted during the period 23 May 1949 until 23 June 1949 and must be filed with the executive secretary, Board of U. S. Civil Service Examiners, 575 Riverside Avenue, Jacksonville, Florida, on or before the closing date specified (23 June 1949).

**Rev. P. P. Phillips Receives Degree**

The Rev. Francis Phillips of the Everglades Presbyterian Church received his Bachelor of Divinity Degree at the Columbia Seminary in Decatur, Georgia last week. He completed his degree work over a year ago and returned for the formal presentation.

**DECEASE IS SHOWN**

Continued from page 1

dent of the Branch, announced his leaving the Glades and the Pioneer Growers, to take up business relations in New Jersey.

Field corn is reported as growing and maturing in a satisfactory condition. Conditions have made it necessary for pretty heavy dusting the past ten days but the burned berries and ears have certainly got a deadly lethal dose of DDT combination.

At the convention of the Florida Fruit and Vegetable Association, of which Mont Graw, of the official secretary and manager, held in Clevelston, made recommendation that shippers of tomatoes and other kindred produce, label all other types of crates, except the Nail Lug, etc. wirebound tub crate. Tariff rates of shipping and loading of the above named type of crates if used will take a higher differential tariff rate. The "Do-All" general service crate is not recommended for adoption, allegedly on the grounds that its features, were practically covered by the three other recommended cartons. The use of field crate shipments were also suggested.

Carloadings report for week ending May 23, 1949.

The notice was posted and store effects taken into custody by Deputy Sheriff Gibbs Gross. The attachment was placed to obtain possession of merchandise sold the L and L store.

**PAR-TEE LINE** (Continued from Page 1)

This is a tournament for pleasure—not for blood. The 120 shooter or the 90 shooter has just as much chance to win this tournament, in both the ladies and mens divisions, as the seventy-odd shooters.

There will be prizes all down the line from the initial play to the finals and a big barbecue on July 4th will climax the tournament, when prizes will be given.

On July 2nd, there'll be a big dance, with one in between time, on June 4th, Saturday night.

Mrs. Victor Mulberg is directing the selling of tickets for the

grand prize of a \$300 GE automatic ironer.

There'll be plenty to do between now and July 4th in the golfing at the Club—come out and participate. Relax from the busy season just ending.

**Story Of Air Plane Development Shown In Interesting Film**

Members of the Lions club heard reports given of the State Convention at St. Petersburg, on May 18th, by President H. V. Draa and First-Vice President Herman Close. Other reports by delegates will be presented next week.

The entertainment of the day was the showing of a movie entitled "Flight", which told and depicted the growth of American air power. This picture stressed that air power was the peace power of today and the future, and pointing out that a reserve air force is not only needed but imperative, if our nation desired to hold the world power of the present day.

**Lions To Entertain In Club Banquet And Joint Installation**

The Belle Glade Lions club at its Wednesday meeting, decided to acquiesce to the request of the four clubs of the Glades region to hold the annual banquet and joint installation in Belle Glade. Clevelston club last year had requested the affair, but found that it could not handle it satisfactorily, and Pahokee had no place sufficiently large to handle the customary crowd attending. The

time, place and cost of the banquet in left in the hands of the Lions council to determine these facts, to be announced at the next club meeting.

"Doug" Wooten reported that the club was still obligated for around \$800.00 for the construction of the National Guard annex to the Legion building, due to costs exceeding the estimate of the project, which

ran around \$3,000 instead of \$1,800. Steps are underway to arrange to liquidate this indebtedness.

A special picture was shown of the famed German concentration camps and the atrocities committed against the Jewish people imprisoned in the death holes, where hundreds of thousands died.

# *to our depositors and friends*

*in the Belle Glade, Chosen, South Bay, Bean City  
and Lake Harbor area*

We are moving in our new building this week end and will be open for business in the new building Monday morning, May 30th.

We greatly appreciate your cooperation, patience and indulgence during the past seven months while we were operating with limited facilities.

Your generous patronage and loyalty has helped make this dream of a new building come true.

We sincerely hope that we will have the opportunity and pleasure of serving you in the years to come.

We had hoped that all of our equipment would be in by this date but there will be a delay of about 30 days in securing new safe deposit boxes, which we regret.

The building will be air conditioned for your comfort. We extend to you a cordial invitation to visit with us at anytime.

Again let us say thank you.

### OBSERVATION

(Continued from Page 1)  
the close of the public schools.  
A pool of players will be col-  
lected and from them the team  
sponsors will get their players.  
We're likely that 7-8 will not  
have the same personnel of  
players which they had in last  
season's successful program.

Wendell Lyons it is announced  
is to be the station manager  
for the Standard Oil Company  
new super-station on South  
Main street. Ivan Van Horn  
will give his exclusive attention  
to the bulk station and dis-  
tributing business of the com-  
pany.

The school year is fastly com-  
ing to an end for 1948, and  
teachers and pupils will alike  
greet it with more or less plea-  
sure. Belle Glade school will  
present diplomas to a class of 40  
or more of our fine young peo-  
ple. Survey of the class show  
that many of them will attend  
institutions of higher education  
next year. Also indications that  
some of the school leavers will  
be to wind up with the march  
down the aisle for matrimonial  
vows. The Herald wishes all the  
graduates successful lives as  
they take up activities outside  
school work.

will be getting under way at  
once in South Florida, with  
Alex Arnette having a finger in  
the pie in connection with or-  
ganization and instituting of the  
Vero Beach, Melbourne-Cocoa  
DeLair, Homestead, Miami  
Hialeah lodges.

Bob Muller, announced that  
H. R. Hitchcock, O. G. McWhor-  
ter, R. Y. Creech, Jr., and W. W.  
Weeks, would be the club team  
golfers, who would play in the  
Lake Worth handicap matches  
on May 29th. Others who will  
make the trip and engaged in  
the event are: L. J. Jones, Lou  
Betner, Victor Muller, A. E.  
Kirchman, Ralph Kirk, Randy  
Dickerson, Bob Muller, Harold  
Rabin and Jack Thorne, and others.

M. A. Rosen, a prominent Elk  
and business man of Arcadia  
was elected to the presidency  
of the Florida Elk's Association  
for the coming year. The local  
club voted to contribute to the  
amount necessary to purchase  
three band uniforms for the  
high school band.

Reported that West Palm  
Beach would entertain the 1950  
state convention having won  
over St. Augustine by a vote of  
95 to 71 in the state conven-  
tion.

### Golden Rams Defeat Pt. Pierce Eagles In Final Contest

Every baseball fan and friend  
of the Golden Ram baseball  
team will want to visit Mem-  
orial field this Friday afternoon,  
when the Golden Rams will  
play the West Key West team in  
a double header for conference  
division honors.

School officials made it pos-  
sible that the games be played  
in Belle Glade.

The first game will be called  
at 1:30 and the second shortly  
after 3 o'clock. If there is a  
division of these games, then  
the play off game will likely be  
played on Saturday morning,  
so that the Rams will not need  
to make the long trek to  
Key West for the final game.

Should either team win the  
double header that will wind up  
the semi-final playoffs, and the  
winner will go to the state con-  
vention in Avon Park, on June 8th.

The records of the Conference  
games as compiled by  
school authorities are as fol-  
lows:

Team	W	L	Per
Pt. Pierce	5	1	.833
Belle Glade	4	2	.667
Lake Worth	2	4	.333
Vero Beach	1	5	.167

The above figures may cause

some wonderment as to why  
the Belle Glade Rams are play-  
ing in the conference playoffs.  
When Ft. Pierce lead the con-  
ference.

It was agreed at the start of  
the season that the first two  
top teams in each section of  
the district would play off a  
play-off game to determine  
which team should have the  
honor of representing the dis-  
trict in the semi-finals. Belle  
Glade won this game by a score  
of 4 to 1 from Ft. Pierce and  
in that manner won the posi-  
tion to win a game of base-  
ball from the Golden Eagles, in  
a contest which would deter-  
mine the winners of the league  
race in the north portion of  
District 8. Both teams had one  
up on each other, so this was  
the only game, and Glory Be,  
our Ram came out as winner by  
a score of 4 to 1.

Ft. Pierce was rather cocky  
when they took the field, for  
they were elated over eliminat-  
ing Lake Worth, by a big score,  
and then they had their crack  
swift ball pitcher Carrera for  
the game, who had previously  
defeated the Rams.

Well, our own Tommy Wil-  
liams, proved that he had a  
good game in that trusty arm  
of his, as he held Ft. Pierce to  
five hits and struck out a doc-  
tor on more than five. Hits were  
even, but the Rams were pro-  
ductive of scores, and the for-  
ward errors made by the Eagles  
helped in the Ram's victory. The  
Rams played a good, steady  
game and made only one bobbie  
in the field.

The Eagles were a dejected  
team when the game ended, but  
sportsmen enough to congrat-  
ulate the winner in the victory.

In the south district game  
between Key West and South  
Broward at Hollywood, Friday  
night, the Spanish lads took  
the measure of the Danes boys,  
in a close and well played game  
by a score of 7 to 5. The victory  
of the Key West team as the  
opponents of the Belle Glade  
Rams, in a series of three games,  
which were played during the  
week. The West team is a strong  
and versatile team and the Rams  
have a real task before them to  
top games, be it one, two or  
three. The winner of this three  
game series will be the Dis-  
trict 8 representative in state  
Class B semi-finals and finals,  
the schedule for which and the  
playing of same are to be an-  
nounced.

### NEW EQUIPMENT IS

Continued from page 1  
of the "Fit for the God food,"  
were carried from the service  
table, and soon there was  
wiping of fingers and licking  
of lips and expression of de-  
light as the food was used  
for its intended use. Charlie  
stated he wanted the food to be  
on that effort. The "seconds" sign  
was very hospitably displayed  
after serving of the first round  
of food.

Following the supper, the  
company assembled in the sales  
room, where special trade films  
were shown, one devoted to the  
Ford products, and the other to  
the Dearborn equipment, which  
showed the construction, new  
additions, and how such equip-  
ment is utilized in Glades farming.  
Bolton stated that the horse  
and mule had about passed out  
of the farm pictures in the  
Glades and that farm work was  
being done by a battery of a-  
round 400 Ford and Dearborn  
equipment. This he claimed did  
away with much heavy work,  
quicker accomplishment, better  
farming and crops, and a big  
saving to modern farm equip-  
ment operators.

Mr. Bolton also told his pa-  
trons and potential clients that  
the Glades Motor Company, Ltd.,  
during the summer would put  
into force a new credit and per-  
sonal farm inspection program,  
which would give quick and ef-  
ficient service at the shop or in  
the field. Part of this work  
would be done through a new  
testing machine, which would  
immediately locate the seat of  
trouble and end to cut down  
time for making repairs.

That he would stock a full  
line of parts for tractors and  
equipment and a special corps  
of mechanics for making all re-  
pairs.

A new building is also in con-  
templation which will house the  
tractor and equipment business,  
aside from the regular auto de-  
partment work. All left with  
the idea that they had been  
educated, fed and been very  
profitably entertained at a suc-  
cessful party.

Pahokee Masonic  
Past Master's Note  
Largely Attended

One of the largest atten-  
dances ever recorded at a Past  
Master's night in Everglades  
Lodge No. 211, F. & A. M., of  
Pahokee, was present in the  
hall, Tuesday night, May 17th.  
Visitors were present from W.  
Palm Beach, Okeechobee, Moore

Haven, Clewiston and Belle  
Glade, causing a crowded house.  
As is customary on these oc-  
casions the Master's degree was  
conferred on four candidates,  
by a staff of Past Master's  
headed by Rowell Harrison,  
in the Master's chair. A feature  
was the delivering of the lec-  
ture of the degree by Past Dis-  
trict Deputy Joseph Linderman  
of West Palm Beach. The cus-  
tomary generous lunch was ser-  
ved following the lodge session.

Those in attendance from  
Belle Glade were: G. L. Evans,  
Wm. Evans, William Alton,  
Hans Stein, L. E. Will, John M.  
Gledhill, Gerald Tatum, Clyde  
Crosby, William Jeffries, Chas.  
Cummerford, Joe Cherry, Jr.,  
Bob Blair, Jack Royals, Ray  
Browne, Frank Kelley, senior  
and junior, Jack O. Johnson,  
John Kirk, O. S. Sheppard, C.  
E. Critchfield, D. R. Kemper,  
Wendell Lyon, J. C. Harrell,  
Charles Maynard.

That John Darling lodge of  
Tampa is giving a reception and  
banquet honoring its own Grand  
Master, J. Wayne Connors, on  
May 24th.

The most Beautiful BUY of all  
**CHEVROLET**

The Styline De Luxe 3-Door Sedan  
White silver red optional at extra cost

*It's styled to make you safer!*

Chevrolet's new Leader-Line Styling makes it possible to give  
you **Panoramic Visibility**—a fuller, freer, safer view of the road

Look ahead! The curved, swept-back windshield  
contains 30% more glass area. Look down! The  
smoothly-rounded hood lets you see the road a  
full 11 feet closer. Look back! A greatly  
enlarged rear window gives a closer, wider  
view behind.

All the way through, the beauty of this great  
new Chevrolet springs from functional design.

Each sweeping change in Chevrolet's functional  
design was made for a purpose—to seat you in  
more comfort, to provide more room and more  
storage space, to make driving easier, safer and  
smoother.

It's sound styling—styling that stays  
advanced. It's another reason why Chevrolet  
for '49 is the most beautiful BUY of all!

BELLE GLADE, FLA.

A COUNTY WIDE Continued from Page 1 South Bay officials report that it has never received its share of this money. (3) There's, we think, a bit of disregard concerning our—The Glades—receiving a fair share

on the spending of anticipated proceeds of one cent of the gas tax money. Governor Holland originated, and put over a plan to establish money available for road building from gasoline tax. There was a provision that income for

years to come could be hypothesized—that's a bond term, which in Glades means "mortgage" so that the money is available at once. We can enjoy the roads while we pay, just like you do a radio, washing machine or a car. It's a common practice, and serves a lot of good purposes.

Sometimes the "pay-as-you-ment" is made and "installments" arranged for the new car while little Johnny wears year-before-last's Sunday suit, or the house left unpainted and the roof left leaky.

The bond boys came forward and showed the Commission how it could hypothecate our expected income from one cent gas tax for fifteen years and get \$3,600,000 to let Palm Beach County enjoy better road facilities while the County paid for them. That's good; were glad the County got the \$3,600,000, cause we have main traveled roads that need fix. Shake boys, we're getting somewhere!

The day comes to divide the money and find out where it will be spent, and here's what happened.

(a) Congress Avenue and Military Trail each get a bridge REBUILT.

(b) Lantana gets a bridge REBUILT.

(c) Delray gets a bridge REBUILT.

(d) Southern Boulevard gets a bridge REBUILT.

(e) Numerous other east coast communities get roads, bridges, and other aids to more comfortable automobile travel.

(f) The road from Twenty-Mile-Bend, eastward gets the holes taken out.

(g) The Muck country gets a

little less than \$100,000 and its used to REBUILD Bacom Point Road from Pahokee to their Airport. This includes some two miles of clearing and grading. Now, this looks like it's scattered, and it is scattered—\$9 percent on the East Coast. We have a share in that anticipated one cent gas tax and kinds believe its more than 5 percent. We're not against any of these projects; they're probably all desirable and some needed badly.

We are under the impression, however, that between the bond boys and the Commission, the bucket was almost dry when the Glades projects came up—not intentionally, of course; just one of those things.

We believe it will make County Commission dispensations more democratic and equally distributed if each Commissioner is answerable to the entire county electorate.

Other counties have used this system makes for equity and efficiency.

State Game Warden Arrested On A Boat Leg Fishing Charge

An AP message of Tallahassee stated that L. P. Dupree, a conservation officer stationed at Okechobee, was under arrest by action of the State Game Commission, on an alleged charge of accepting a bribe in a fish bootlegging offense in which he permitted illegal fishing and sale of game fish.

Dupree was an inspector working with special sealing crews, and the Commission charged that he allowed a second submersed net to be attached to the boat, so that when game fish were thrown overboard they would enter it, and later that the fish were removed and sold in Georgia, mostly bream and bass.

Dupree was released under bond of \$1500 in the court at LaBelle to await prosecution. Detectives also stated to have been working to get evidence against Dupree for several weeks past.

At a later hearing in LaBelle before a Circuit Judge, Dupree confessed his guilt and was sentenced two years imprisonment at Raiford. It is expected that other arrests for similar charges will be made. Dupree admitted that he got a three cent a pound racket.

J. W. WEEKS TO HEAD

Continued From Page One bers and attend the body gatherings.

Everglades lodge at Pahokee, on Friday night, entertained the May meeting with some 40 present. Chester Wright, presided over the session and Charles Maynard, was the acting secretary. The meeting took on a round table form, the most important topic being "The Need of an Official Key to the secret work and lectures of the Blue Lodge degrees." Sentiment was unanimous in favor of such a key, but no action was taken until after conference with high officials of the state.

J. G. Weeks, who has served Everglades lodge twice as master, and as District Deputy Grand Master, was elected Chairman of the Association for 1949-50.

A resolution was enacted which congratulated Hon. William Hendry, of Okechobee, on being named as the new District Deputy by Most Worshipful Grand Master Wayne Allen, for the 22nd district, and extending him a promise of full support in the lodge of the district in his official work. Also a like resolution to Claude Finley, of West Palm Beach, as District Instructor, who succeeds Ralph Jewel, in that position.

The Pahokee lodge set out a most appetizing lunch which all enjoyed. The invitation of Ft. Pierce lodge to meet with it in June was accepted.

Grand Master Wayne Allen and his staff have accepted an invitation to lay the cornerstone of the new hospital building at Pahokee, at a date to be determined. Work on this structure is well along in construction.

Those attending from Belle Glade were: J. R. Cherry, L. E. Will, Jack Royals, Charles Maynard and John M. Gledhill.

LEGISLATURE DOINS

Continued from page 1 igation has directed and led a continuous fight since the opening day of the session for Florida's participation in the Federal Government's program, which is of far reaching economic importance to South Florida and particularly to all parts of Palm Beach County.

Several committee meetings held during the past week have resulted in favorable reports upon all flood control bills but persistent rumors indicate Martin and Indian River County delegations will lead a determined fight on the floor of both Houses to be excluded from the Central and South Florida District, not wishing to pay any part of the new mill and valorem tax for maintenance of the works if needed to con-

ply with Uncle Sam's stipulation covering local cooperation. Few people who have studied the U. S. Engineer's plan believe the full one mill maintenance tax will be needed for many years.

Many bills affecting municipal charters of Palm Beach County were introduced in one or both houses the past week. Four affecting the City of Belle Glade have passed both Houses; two for the City of Delray Beach passed the House. A series of charter changes and bills were received from the City of West Palm Beach and were passed in the Senate by Senator Beacham. The bill creating the proposed Palm Beach-West Palm Beach Sanitary District with referendum attached appeared in Tallahassee during the week. The bills creating the South Western and North Western Palm Beach County Hospital Boards and one dissolving the original Western Palm Beach County Hospital Board have become laws. The South Shore Drainage District bill permitting increased levy for needed pumping purposes was approved by the House of Representatives. Many other local bills are in various stages of

passage of under the careful scrutiny of our delegation. The tax question along with Water Control and funds for Health and Education loom large in the waning days of one of the most turbulent and chaotic sessions ever conducted by our lawmakers at Tallahassee. On every hand we hear more and more talk of a new tax, not to be an outright sales tax in name but perhaps a compromise of many snarls of thought trying to find a new and sound broadened tax base fair to retailer, wholesaler and the public, from the poorer, paid laborer to the rich, and one which will not cripple our industrial, agricultural or agricultural expansion.
